

☀ Art Activity 3: **Cartoon Critters**

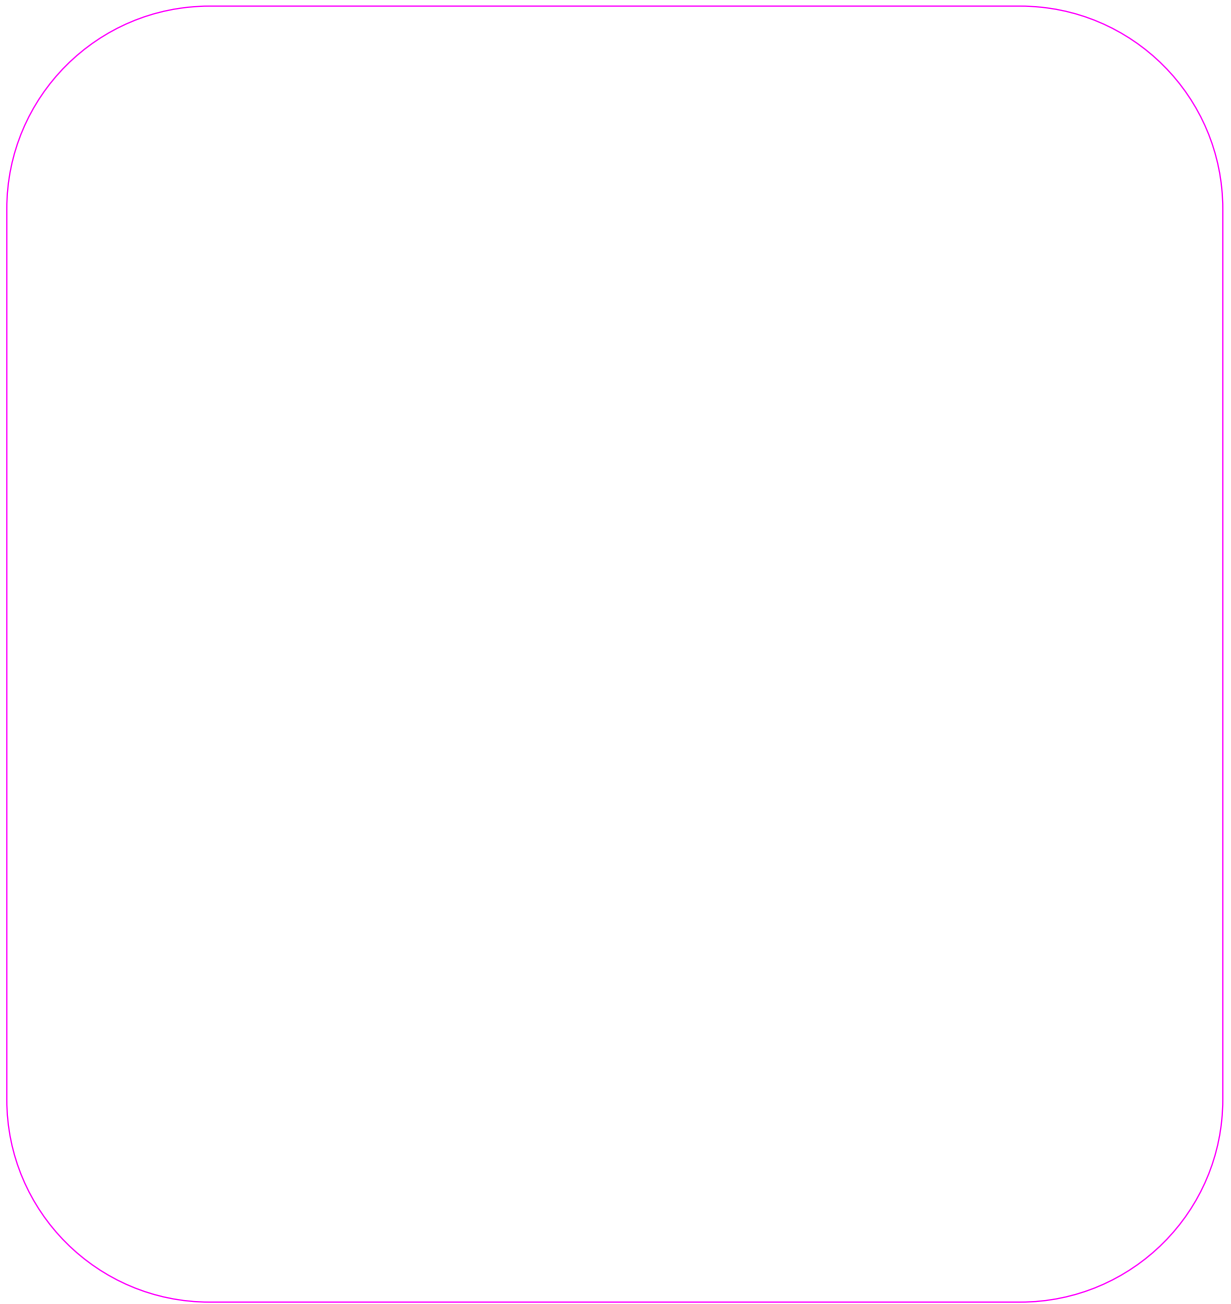

“I love painting—and I love drawing comics and cartoons—but my favorite of all is collage-art—I love making special little boxes for my friends.’ Isabel smiled shyly, looking around the table. ‘Maybe I can show you guys some of the stuff I’ve done.’”

~Bad News/Good News p. 41

You don't have to be Picasso, or even a famous cartoonist, to think of funny ways to express yourself using animals. Think of a silly situation in life and choose a creature from the animal kingdom. Isabel likes using birds. What kind of animal do you want to draw? Make a funny cartoon with a catchy caption ... doodle freely and don't worry about it looking perfect. Remember, cartoons are for fun!

A large, empty rounded rectangular box with a thin green border, intended for drawing a cartoon. The box is centered on the page and occupies most of the middle section.
