

 Discussion Activity 2: **Being the New Kid**

“Hey, guys, Charlotte said, trying to sound soothing. ‘There’s nothing wrong with being friendly and helping Isabel feel welcome. Let’s just give her a chance, OK?’”

~Bad News/Good News p. 38

Charlotte was new in Book 1, *Worst Enemies/Best Friends*, and now Isabel is the new kid to Abigail Adams Junior High. Isabel’s situation is a little different because she is entering school after everyone has had time to adjust.

Have you ever been the “new kid”? (at school, in a club, on a team, at camp, etc.?)

Was it a hard or easy adjustment? Because ...

What suggestions do you have for someone who is new?

How can you make things easier for a new kid?
