

 Discussion Activity 1: **Good Sportsmanship**

“It was easy to tell which girl was Meghan. She was the Twister who’d had the ball stolen from her in the final seconds of the game. Even if Charlotte hadn’t seen the play, she would have been able to tell from the embarrassed look on the girl’s face as she listened to her mother rant on and on ... Charlotte could tell that Meghan wished she was anywhere but on that field.”
~*Out of Bounds* p. 14

In Book 4, Meghan’s mother’s behavior is definitely “Out of Bounds.”
