

☀ Art Activity 2: Design a Postcard

“ ‘I wish we could write to Marty,’ Avery said. She was almost serious.
‘Send a postcard to a dog?’ Billy Trentini said. ‘I can see it now. Dear Marty, wish you were here. There are lots of sticks and skunks to play with.’ ”

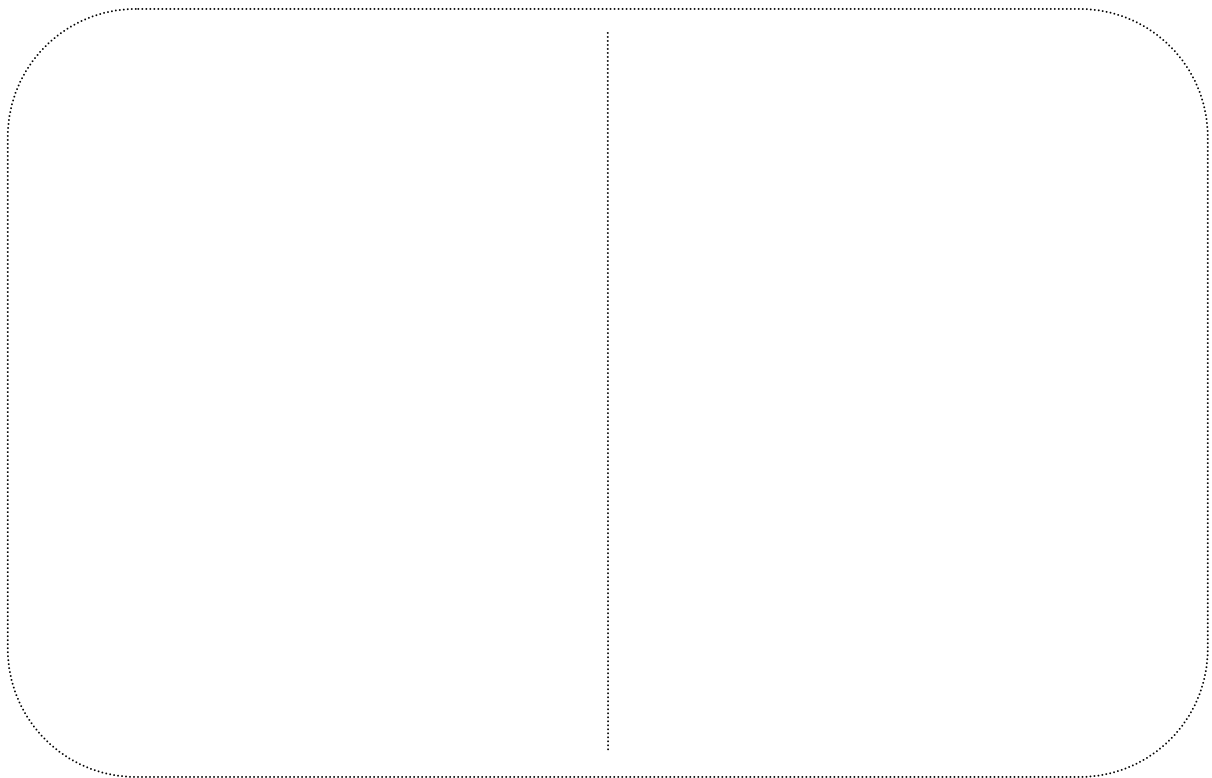

~*Lake Rescue* p. 157

Materials: large index card, pencils, markers, colored pencils or crayons.

Directions: Use a large index card and write a short message to Marty from Avery. Design an appropriate stamp and place your drawing on the upper right of the card. By the way, what's the postage required for a postcard these days?

On the flip side of your index card, draw a picture of the campsite at Lake Rescue. What part of the camp would Marty enjoy most? Tell him about it and use X's to mark the spots he'd enjoy. Woof!
